OBJECTIVE

To obtain a position where I can work in a collaborative environment that will allow me to apply my creativity, knowledge and abilities towards the design and development of effective communication pieces, while exploring and continuing to develop my skills and understanding in web design and graphic arts in order to further contribute to an organizations success now and in the future.

EDUCATION

Athens, Ohio - June 2008

OHIO UNIVERSITY, SCRIPPS COLLEGE OF COMMUNICATION

- Bachelor of Science in Visual Communication, Interactive Multimedia.
- Minor in Fine Arts

ACTIVITIES

Athens, Ohio - Jan 2007 - Jun 2008

OHIO UNIVERSITY MULTIMEDIA SOCIETY

- An organization of students interested in multimedia and design. We showed and critiqued print and digital work. Visited advertising and marketing agencies.
- Treasurer 2007-2008 School Year

WORK EXPERIENCE

Cincinnati, Ohio - Sep 2008 - Present

KGB ADVERTISING - DIGITAL DESIGNER

Responsible for all web based and interactive design and development. Maintain all IT systems, including network, servers, and individual workstations. Involved with the creative process of all digital projects from concept, through the final design and development. Responsible for mentoring the student in the digital co-op position to develop their interactive knowledge and skill set.

Athens, Ohio - Mar 2008 - Jun 2008

OHIO UNIVERSITY, SOUL OF ATHENS - LEAD DESIGNER AND DESIGN TEAM LEADER

The Soul of Athens is a multimedia photojournalism web project. I was the lead designer for the overall look and feel of the website and design team leader of eight people for a ten week project.

Louisville, Kentucky - Jun 2007 - Sep 2007

DOE ANDERSON - INTERACTIVE MEDIA INTERN

Gained experience in the advertising/marketing industry working in the interactive media department. Created small flash advertisements, fixed problems with flash pieces, built a site for a law firm, made changes and corrections to existing clients sites, worked on the new identity for Special Olympics of Kentucky with the graphic design department.
